**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

i want to remain in business with local internet providers. this put money back into our community, provides skilled jobs to local residents, and supports local businesses and school with taxes. Don't allow corporations like AT&T monopolize the industry by taking subsidies and smashing the small business competition.

Sincerely,

Carrie Belshe
